HORSEMANSHIP EDUCATION

Triple L's — Horse Stable and Equine Management Camp program is an intensive Horse Camp program that will enable its campers to learn great horsemanship skills, Care and Costs (Parents you will appreciate this!).

Campers will learn both English and Western riding styles .

This is a great opportunity for both beginner and experienced riders.

Our program is designed for 10 campers maximum.

Contact us for more information and to Reserve your spot today!

TRIPLE L SUCCESS!

The TRIPLE L CAMP program is a great opportunity for children to achieve leadership skills, instill responsibility and gain confidence. These skills learned early in life give our campers an advantage to become great citizens.

LEADERSHIP

The rider and the horse are a TEAM. Each camper will learn the role of a good leader to make a successful team.

RESPONSIBILITY

Horses require much care to stay healthy and comfortable. Each camper will learn the proper equine care before and after riding to ensure good health of the horse.

RESPECT

A respectful horse/rider relationship leads to great rides. Triple L campers will learn to gain the respect of the horse while respecting the horse.

CONFIDENCE

Successful horsemanship skills lead to a confident rider. The confidence gained will radiate through everyday life situations.

Go to our website at www.tripleequine.com for more information .
